**BOOED!**

---

*These friendly ghosts have come to say,  
that Halloween is on the way!*

*It's time for you to share the fun,  
and go and BOO another one!*

*Make two copies of this ghostly rhyme,  
and gather some treats - don't waste time!*

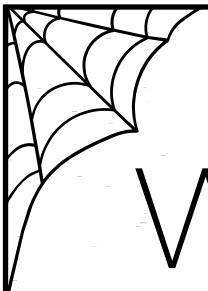

*You'll sneak out in the dark of night,  
and share some treats instead of frights!*

*Place your goodies at a neighbors door,  
it's then their turn to BOO some more!*
