YOU'VE BEEN ELFED!

*Nothing's more magical than a Christmas Elf
Who spreads holiday joy to people like yourself
Now that you've received this little treasure
It's your turn to bring another home the pleasure*

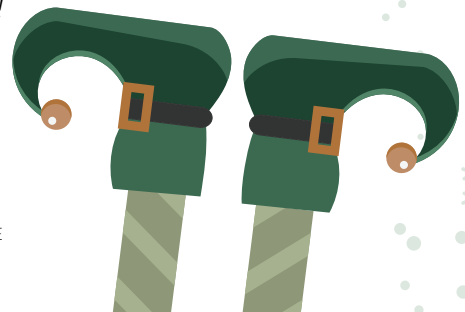

*In fact, the elf decided to pick you
In hopes that paying it forward is what you'll do
So spread some joy and holiday cheer
With family or friends who you hold dear*

*Just hang this sign up on your door
To let others know you don't need more
Then gather up some treats to celebrate the season
And share this poem so your friends will know the reason*

Merry Christmas!
